

## Bring Agriculture into the Classroom

To celebrate our 20th anniversary during the 2016-2017 school year CAREE will visit PreK-12 classrooms throughout Madison County.

Interested schools can call or email for more information.

618-692-6575

[mail@madcocaree.org](mailto:mail@madcocaree.org)

Additional information  
on back.

Introduce students to the importance of agriculture in their everyday lives.
